

Senate Order for Entity Contracts – 1 July 2025 – 30 June 2026

Senate Order

This is the Senate Order for Entity Contracts listing relating to the period 1 July 2025 – 30 June 2026. Pursuant to the Senate Order for Entity Contracts, the following table sets out contracts entered into by Export Finance Australia (EFA) which provide for a consideration to the value of A\$100,000 or more (GST inclusive) and which:

- have not been fully performed as at 30 June 2026;¹ and/or
- have been entered into during the 12 months prior to 30 June 2026.

Contracts which commenced before the reporting period and ended during the reporting period, are not reported.

Contracts where EFA is the contracting entity are included, even where EFA is contracting to obtain goods or services as part of its function to assist other Commonwealth entities. While EFA is the contracting entity, the extent of any such amounts attributable to this function of ours is fully recoverable from these other entities. As such, there may be some duplication of amounts reported below (incorporated also within the relevant Commonwealth entity service fee as a recoverable cost).

Similarly, transaction related costs are included below where EFA is the contracting party, even where amounts are recoverable from another party such as our customer.

Please see further contract details set out in the Contract Details section below.

Further details on relevant 'procurement contracts' are available through the Senate Order Report located on the AusTender Homepage (www.tenders.gov.au). However, as a corporate Commonwealth entity, we have also included these procurement contracts in the Contract Details section below.

Confidentiality Provisions

Many of the contracts listed contain confidentiality provisions of a general nature that are designed to protect the confidential information of the parties that may be obtained or generated in carrying out the contract. The reasons for including such clauses include:

- ordinary commercial prudence that requires protection of trade secrets, proprietary information and the like; and/or
- protection of other Commonwealth material and personal information.

EFA's accountable authority has assured that the listed contracts below do not contain any inappropriate confidentiality provisions.

In the table below:

- Item 1 indicates whether the contract contains provisions requiring the parties to maintain confidentiality of any of its provisions; and
- Item 2 indicates whether the contract contains any other requirements of confidentiality.
